How Watch Cases are Made.

This process of manufacture was invented by James Boss, who started in business in 1554, and the methods and tools used in making these watch cases are covered by patents. This is the only watch case made muse this process. For many years the intraduction of these goods was slow, owing to popular prejudice against "plated" goods, but gradually the public learned that the of Van Buren, holden at the probate office in the village of Paw Paw, on Thursday, the 2nd day of August, in the year one theorisend eight hundred and eighty-flores.
